March 2020

Possible changes for the Corona virus:

If the restrictions for the corona virus continue until May 2 the Banquet will be cancelled. Check on the Alumni website at hallsvillmoalumni@weebly.org or the Hallsville School website a www.hallsville.org for updates.

To make it easier for our banquet staff, please do not send checks with your registration. Bring them with you to the Banquet. That will make it easier if the Banquet is cancelled, so we won't have to return all those checks!

We hope to see you May 2, but if not, be safe and enjoy the information in this newsletter!

Class of 1980—40 years!

There were 52 graduates in the class of 1980. We have lost 3 classmates: Christopher Smith, Paula Willett and Kathi Worden.

Most of our class went to all 12 years together formed a close bond. About 7 graduated early at semester but were still able to participate in the graduation ceremony in May. Almost everyone participated in extracurricular activities whether it was softball, baseball, basketball, track, drama/plays, choir and band.

We saw many changes during our 12 years. We started in the old elementary school then after 6th grade transitioned to the new middle school. Our first 2 years of high school was at the old high school and gym. Our last 2 years of high school we had a new north gym and some new classroom. Everyone's favorite teacher was Richard Trinklein who taught advanced math classes. A memory is that we had an open lunch to and we could walk downtown to Bummy's market and Sydney's Drive-in. John Mack was Valedictorian. Cheri Reisch
